

Jolly Phon Activity

Notes for Parents

The Jolly Phonics Activity Books are designed as a fun and interactive way for children to become familiar with letter sounds and to begin reading and writing. Children who start school knowing all their letter sounds learn to read more easily with the Jolly Stories and the Jolly Songs. Each sound is introduced in a song to your child. Each sound is also accompanied by an action, which helps to remember the sound.

Letter Sounds

The sounds are grouped in the following way and should be taught in this order:

Book 1: s, a, t, i, p, n

Book 2: c k, e, h, r, m, d

Book 3: g, o, u, l, f, b

Book 4: ai, j, oa, ie, ee, or

Book 5: z, w, ng, v, oo, oo

Book 6: y, x, ch, sh, th, th

Book 7: qu, ou, oi, ue, er, ar

Letter Formation

You need to check that children are holding the pencil correctly as shown above and ensure that the pencil is held between the thumb and index finger at a correct starting point and this is indicated by a large dot. In the activity books, practice on pages 3, 5, 11, 15, 19, 23, 27 and 33.
